ACTION ITEMS

PRESENTATIONS & PUBLIC PARTICIPATION

OLD BUSINESS

a) 911 Update

Mr. Gregg reports that Central Square has committed to scheduling additional training for the CAD updating process. That date is still tbd.

NEW BUSINESS

a) WAN Maps & Applications/Portal Update

Rather than creating Portal logins for each agency (and departments within agencies) Mr. Gregg has downloaded the Portal Web Apps for each County, placed them on the server on which Portal resides, and configured them so users will not be prompted for credentials. Phase two will have users from the Subscription site directed to the same page, thus having all users looking at the same maps. This would allow WinGIS to maintain one set of maps rather than one set on the WAN and another on the Subscription site.

OTHER MATTERS
