ACTION ITEMS

PRESENTATIONS & PUBLIC PARTICIPATION

OLD BUSINESS

a) New WAN site

Mr. Gregg that training is still available for the new site/maps. A training session was recently held at the Winnebago County Health Department and another upcoming in the Winnebago County Admin Building.

Based on some investigation, Mrs. Stromberg and Mr. Gregg feel that the issue that occasionally results in the new Portal map displaying an error when loading may have to do with memory allocation/RAM on the server itself, not necessarily the map application.

b) EOC

Mrs. Stromberg attended a pre-disaster drill exercise at the County EOC. The actual drill will take place in July.

NEW BUSINESS

a) Staff Updates

Mr. Gregg announces that GIS Specialist Alexander Olson submitted his resignation. Alex is moving home to Bloomington and going back to school. His position has been posted and the search for a replacement has begun.

b) 911 Training

Central Square has scheduled 911/CAD training for members of WinGIS (and perhaps some CoR staff) in August. The training will be virtual and held at the R1/WinGIS office.
